WHEREAS, Almighty God, in His Infinite Wisdom, has called to his eternal reward the most Reverend Raymond P. Hillinger, senior auxiliary bishop and vicar general of the Chicago Roman Catholic Archdiocese on November 13, 1971; and

WHEREAS, Bishop Hillinger, a native of Chicago, was born in St. Henry Parish on the northwest side. He attended Quigley Preparatory Seminary and St. Mary of the Lake Seminary. He was ordained a priest on April 2, 1932, by the late George Cardinal Mundelein. He took post graduate courses at Mundelein Seminary. Following his ordination and post graduate courses in preaching and labor he was assigned to St. Aloysius parish where he remained until 1935. WHEREAS, Bishop Hillinger was named rector of Guardian Angel Orphanage in 1950. On December 29, 1953, he was consecrated as Bishop Hillinger, and appointed fourth bishop of the diocese of Rockford, Illinois by Pope Pius XII. In 1956, Bishop Hillinger was named an auxiliary bishop to the late Samuel Cardinal Stritch, then Archbishop of Chicago. In 1966, he was made a vicar general of the archdiocese by Archbishop John P. Cody. In 1968, ill health forced him to retire and he was named pastor emeritus of St. Mel-Holy Ghost Catholic Church; and

WHEREAS, Bishop Hillinger was active in church modernization groups. He attended the Second Vatican Council and was one of the highest ranking churchmen to take part in the formation of the Association of Chicago Priests in 1966. During his lifetime Bishop Hillinger was given several awards for promoting racial harmony, including one from the Catholic Inter-racial Council; and

WHEREAS, Bishop Hillinger was a man whom all admired as a great priest and a bishop, whose life was given to serve the faithful people entrusted to his care. He will be sorely missed by many; now, therefore,

Be It Resolved, That the Mayor and the City Council of the City of Chicago, in meeting assembled this 29th day of November, A.D., 1971, together with all the people of Chicago, publicly express their sorrow upon the death of Bishop Raymond P. Hillinger, and extend to his brother, Reverend Philip, and his sister, Mrs. Beatrice Williamson their sincere sympathy and do hereby acknowledge their gratitude for his life of service dedicated to God, Church and Country; and

Be It Further Resolved, That a suitable copy of this Resolution be presented to Bishop Hillinger's brother and sister, Reverend Philip, and Mrs. Beatrice Williamson.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Be It Ordained by the City Council of the City of Chicago:

Section 1. The Muncipal Code of Chicago is hereby amended pursuant to the provisions of the Illinois Constitution of 1970 by deleting in its entirety existing Chapter 178.1 and by substituting therefor a new Chapter 178.1, as follows:

178.1-1. For the purpose of this chapter, whenever any of the following words, terms or definitions are used herein, they shall have the meaning ascribed to them in this section:

"Cigarette" means any roll for smoking made wholly or in part of tobacco, irrespective of size or shape and whether such tobacco is flavored, adulterated or mixed with any other ingredient, or not, and the wrapper of which is made of paper or any other substance or material except tobacco.

"Manufacturer" means any person who makes or fabricates cigarettes, or packs and sells them in packages.

"Package" means the original packet, box or container whatsoever used to contain and to convey cigarettes to the consumer.

"Person" means any natural person, trustee, court appointed representative, syndicate, association, partnership, firm, club, company, corporation, business trust, institution, agency, government corporation, municipal corporation, district or other political subdivision, contractor, supplier, vendor, vendee, operator, user or owner, or any officers, agents, employees or other representative, acting either for himself or for any other person in any capacity, or any other entity recognized by law as the subject of rights and duties. The masculine, feminine, singular or plural is included in any circumstances.

"Retail Tobacco Dealer" means any person who engages in the business of selling cigarettes in the City of Chicago to a purchaser for use or consumption and not for resale in any form.

"Sale," "Resale," "Selling" means any transfer of ownership or possession, or both, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever for a valuable consideration.

"Stamp" means paper or other material with an imprint or decalcomania device thereon, of such size, design, color and denominations as may be prescribed and procured by the City Collector which, when affixed to a package of cigarettes, shall evidence payment of the tax thereon, as provided by this chapter.

"Use" means any exercise of a right or power, actual or constructive, and shall include but is not limited to the receipt, storage, or any keeping or retention for any length of time, but shall not include possession for sale by a retail or wholesale tobacco dealer as defined in this chapter.

"Wholesale Tobacco Dealer" means any person who engages in the business of selling or supplying cigarettes to any person for resale in the City of Chicago.

178.1-2 (a) A tax at the rate of five cents per each twenty cigarettes or fraction thereof is hereby imposed upon all cigarettes possessed for sale and upon the use of all cigarettes within the City of Chicago, the ultimate incidence of and liability for payment of said tax to be borne by the consumer of said cigarettes. The tax herein levied shall be in addition to any and all other taxes.

(b) The tax herein levied shall be paid by purchase of tax stamps from the City Collector, except as otherwise provided in sections 178.1-9(a) and (b) of this chapter. It shall be the duty of every wholesale tobacco dealer, before delivering or causing to be delivered any cigarettes to a retail tobacco dealer in the City of Chicago to purchase from the City Collector a tax stamp for each package of cigarettes and to cancel said stamps prior to the delivery of such cigarettes to any retail tobacco dealer in the City of Chicago. Said stamps shall be affixed and cancelled in the manner prescribed by rules and regulations of the City Collector, as hereinafter provided. Any stamp which is defective or unused may be returned to the City Collector or City Comptroller by a wholesale tobacco dealer, who shall thereafter be credited or reimbursed with the amount paid the City Comptroller for such stamps.

(c) Any wholesale tobacco dealer who shall pay the tax levied by this chapter to the City Collector shall collect the tax from any retail tobacco dealer to whom the sale of said cigarettes is made; and any retail tobacco dealer shall, in turn, then collect the tax from the purchaser of said cigarettes. The tax shall be paid to the person required to collect it as trustee for and on account of the City of Chicago.

(d) It shall be unlawful for any retail tobacco dealer to purchase cigarettes from any person unless each package bears an unmutilated tax stamp affixed thereto and cancelled thereon in the manner required by this chapter and the rules and regulations of the City Collector. Possession by said retail tobacco dealer of cigarettes having no stamp affixed and cancelled shall give rise to the *prima facie* presumption that such cigarettes are possessed by him in violation of the provisions of this chapter.

178.1-3. The City Collector shall make and publish, in pamphlet form, for distribution to the public, rules and regulations appropriate to and in furtherance of the purposes of this chapter.

178.1-4. (a) The City Comptroller shall contract for and furnish tax stamps of such denominations and quantities as may be necessary for the payment of the tax imposed by this chapter, and may, from time to time, upon the request or recommendation of the City Collector, provide for the issuance and exclusive use of stamps of a new design and forbid the use of stamps of any other design. The Comptroller may make arrangements for the method of acquiring and paying for such tax stamps.

(b) The City Collector may appoint wholesale tobacco dealers of cigarettes and any other person within or without the City as agents to affix stamps to be used in paying the tax hereby imposed and said agent is hereby authorized to appoint other persons in his employ who are to affix said stamps to any cigarettes under his control in the manner prescribed by the rules and regulations promulgated by the City Collector. Whenever the City Collector shall sell, consign or deliver to any such agent any such stamps, such agent shall be entitled to receive as compensation for his services and expenses in affixing such stamps, and to retain use of the monies to be paid by him for such stamps a commission on the par value thereof. The City Comptroller is hereby authorized to prescribe a schedule of commissions not exceeding five percent allowable to such agent for affixing such stamps; provided, however, that the City Comptroller may authorize commissions to agents not exceeding ten percent for a special period not exceeding thirty (30) days immediately following the adoption of this chapter to cover the initial stamping of packages of cigarettes. Such schedule shall be uniform for each type and denomination of stamp used and may be on a graduated scale with respect to the number of stamps purchased. The City Collector may, in his discretion, permit an agent to pay for such stamps within thirty (30) days after the date of sale, consignment or delivery of such stamps to such agent, provided a bond satisfactory to the City Comptroller and approved as to form and legality by the Corporation Counsel shall be submitted by said agent to the City Comptroller in an amount not less than the par value of such stamps.

(c) The City Comptroller may redeem unused tax stamps lawfully in the possession of any person. No person shall sell or offer for sale any stamp issued under this chapter, except by written permission of the City Comptroller. The City Comptroller may prescribe rules and regulations concerning refunds sales of stamps and redemption under the provisions of this chapter.

178.1-5. (a) Within ten days after the effective date of this ordinance every retail tobacco dealer doing business in the City of Chicago shall file with the City Collector, on forms prescribed by him, a sworn inventory of all packages of cigarettes in his possession or control together with a sworn initial report showing all purchases of cigarettes during the preceding three months. Said initial report shall state the name and address of the place of business of all persons from whom purchases were made, the date of each transaction, the seller's invoice number, the number of the city wholesale tobacco dealer's license, if purchase was made from such licensee, a description of the cigarettes and quantity thereof purchased. With said inventory and initial report the retail tobacco dealer shall pay to the City Collector the taxes for all packages of cigarettes which do not bear a stamp or for which a tax has not been paid as required by this chapter.

(b) A sworn quarterly report shall thereafter be filed by said retail tobacco dealer with the City Collector, on forms prescribed by him, showing all purchases of cigarettes during the preceding three months, setting forth the same data and information as required in the initial report provided for in subsection (a) of this section. The dates upon which said quarterly reports are to be filed shall be provided by rules and regulations promulgated by the City Collector.

178.1-6. The City Collector or any person certified by him as his deputy or representative may enter the premises of any wholesale or retail tobacco dealer for inspection and examination of property, inventory, books and records for the proper administration of this chapter and enforcement of the collection of the tax imposed. It is unlawful for any person to prevent, hinder or interfere with the City Collector or his duly authorized deputy or representative in the discharge of his duties in the enforcement of this chapter.

178.1-7. (a) At the time of delivering cigarettes to any person doing business in the City of Chicago, it shall be the duty of every wholesale tobacco dealer to make a true triplicate invoice, numbered serially, showing the date of delivery, the number of packages, the number of cigarettes contained therein in each shipment of cigarettes delivered, and the name of the purchaser to whom delivery is made and shall retain one legible copy of the same for a period of three years subject to the use and inspection of the City Collector and City Comptroller.

(b) A sworn quarterly cigarette tax return shall be filed by said wholesale tobacco dealer with the City Collector, on forms prescribed by him, showing all purchases of cigarettes made by him during the preceding three months, all sales made by him to retail tobacco dealers doing business in the City of Chicago, all sales made by him to persons outside of the City of Chicago, his remaining inventory, the name and address of the place of business of all persons doing business in the City of Chicago to whom said sales were made, the date of each transaction, the seller's invoice number, the number of the City retail tobacco dealer's license of the purchaser, if any, and a description of the cigarettes and quantity thereof sold. Legible copies of the invoices required by subsection (a) of this section shall be attached to said cigarette tax returns. The dates upon which said quarterly returns are to be filed shall be provided by rules and regulations promulgated by the City Collector.

178.1-8. Every person who shall falsely make, alter, forge or counterfeit any tax stamp, or who, with intent to defraud the city, shall affix or cause to be affixed any counterfeit stamp to any package of cigarettes, knowing said stamp to be counterfeit, shall be charged with forgery under the Illinois Criminal Code and shall be subject to prosecution for such crime.

178.1-9. (a) Notwithstanding the provisions of Sections 178.1-2(b) and (d), and 178.1-4(a) of this chapter, the City Collector may provide by regulation that the tax imposed by this chapter shall, in the alternative, be collected by means of the issuance and sale of a single tax stamp to be prepared jointly with the Department of Revenue of the State of Illinois, evidencing the payment of the tax imposed by this chapter. Toward that end, the City Collector and City Comptroller may make such arrangements and agreements with the Department of Revenue of the State of Illinois as may be required with respect to the method of acquiring, affixing, cancelling and the manner of sharing the cost of such joint single tax stamps and may establish procedures for payment of that portion of the tax revenue collected by the Department of Revenue due and payable to the City of Chicago, in furtherance of the purposes of this chapter. In the event such alternative method as herein provided is utilized, no other method of collecting said tax may be used; however, all other applicable provisions of this chapter shall nevertheless remain in full force and effect.

(b) Notwithstanding the provisions of Sections 178.1-2(b) and (d), 178.1-4(a) and subsection (a) of this section, the City Collector may provide by regulation that the tax imposed by this chapter, in the alternative, shall be collected by means of the filing of a sworn tax return to be prepared and filed by every wholesale tobacco dealer who sells cigarettes for consumption in the City of Chicago. Said return shall be filed on a monthly basis and shall contain the same information required by Section 178.1-7(b) of this chapter. Said return shall be filed with the City Collector on or before the first day of each month stating such other and further information as may be required by the Collector, and said return shall be accompanied by a certified check in the amount of the tax due and payable upon such taxable sales made by said wholesale tobacco dealer in the City of Chicago during the preceding month. In the event such alternative method is utilized, no other method of collecting said tax may be used; however, all other applicable provisions of this chapter shall remain in full force and effect with the exception of the necessity of filing a quarterly tax return as provided in subsection 178.1-7(b) of this chapter, which shall not be required.

178.1-10. It is unlawful for any person to mutilate a tax stamp herein required on any package of cigarettes before it is sold by a retail tobacco dealer.

178.1-11. (a) Whenever any person shall fail to pay any tax as herein provided, the Corporation Counsel shall, upon the request of the City Collector, bring or cause to be brought an action to enforce the payment of said tax on behalf of the city in any court of competent jurisdiction.

(b) If the Mayor, after hearing held by or for him, shall find that any person has willfully evaded payment of the tax imposed by this chapter, he may suspend or revoke all city licenses held by such tax evader. Said person shall have an opportunity to be heard at such hearing to be held not less than five days after notice of the time and place of the hearing to be held, addressed to him at his last known place of business. Pending notice, hearing and finding, any tobacco dealer's license possessed by said person shall be temporarily suspended. Any suspension or revocation of any license shall not release or discharge said person from his civil liability for the payment of the tax, nor from prosecution for such offense.

178.1-12. Whenever the City Collector or any of his duly authorized representatives shall discover any cigarettes subject to any tax provided by this chapter upon which said tax has not been paid or the stamps affixed and cancelled as herein required, they are hereby authorized and empowered forthwith to seize and take possession of such cigarettes together with any vending machine or receptacle in which they are held for sale which, except for money contained in such vending machine or receptacle, shall thereupon be deemed to be forfeited to the city. The City Collector may, within a reasonable time thereafter, by a public notice given at least five days before the day of sale, sell such forfeited cigarettes and vending machines or receptacles at public sale and pay the proceeds into the treasury of the City of Chicago. In the alternative, the City Collector, on reasonable notice, may permit the person from whom said cigarettes were seized, to redeem the same and any vending machine or receptacle seized therewith, by the payment of the tax due together with a penalty of fifty percent (50%) thereof and the cost incurred in such proceeding, provided, however, that such seizure and sale or redemption shall not be deemed to relieve any person from fine or imprisonment provided herein for violation of any provision of this chapter.

178.1-13. All proceeds resulting from the imposition of the tax under this chapter, including penalties, shall be paid into the treasury of the City of Chicago and shall be credited to and deposited in the corporate fund of the city.

178.1-14. Any person found guilty of violating, disobeying, omitting, neglecting, or refusing to comply with, or resisting or opposing the enforcement of any of the provisions of this chapter, except when otherwise specifically provided, upon conviction thereof shall be punished by a fine of not less than Fifty Dollars ($50.00) nor more than Three Hundred Dollars ($300.00) for the first offense and not less than Fifty Dollars ($50.00) nor more than Five Hundred Dollars ($500.00) for the second and each subsequent offense in any 180-day period; provided, however, that all actions seeking the imposition of fines only shall be filed as quasi-criminal actions subject to the provisions of the Illinois Civil Practice Act (Ill. Rev. Stat. 1969, ch. 110, par. 1 *et seq.*). Repeated offenses in excess of three within any 180-day period may also be punishable as a misdemeanor by incarceration in the county jail for a term not to exceed six months under the procedure set forth in Section 1-2-1.1 of the Illinois Municipal Code (Ill. Rev. Stat. 1969, ch. 24, par. 1-2-1.1) and under the provisions of the Illinois Code of Criminal Procedure (Ill. Rev. Stat. 1969, ch. 38, pars. 100-1, et seq.) in a separate proceeding. A separate and distinct offense shall be regarded as committed each day upon which said person shall continue any such violation, or permit any such violation to exist after notification thereof.

178.1-15. If any provision of this chapter, or the application thereof to any person or circumstances, is held invalid, the remainder of this chapter and the application of such provisions to other persons or circumstances shall not be affected thereby.

Section 2. This ordinance shall take effect from and after ten days from the date of its due passage and publication.

Action Deferred—ON PROPOSED ORDINANCE AUTHORIZING TAX ON PARKING LOT AND GARAGE OPERATIONS.

The Committee on Finance submitted the following report, which was, at the request of two aldermen present (Alderman Cousins and Alderman Simon) *Deferred* and ordered published:

CHICAGO, December 2, 1971.

To the President and Members of the City Council:

Your Committee on Finance, to which was referred a communication dated November 12, 1971 from the Office of the Mayor transmitting an ordinance authorizing a tax on parking lot and garage operations having had the same under advisement, begs leave to report and recommend that Your Honorable Body pass the proposed ordinance transmitted herewith.

This recommendation was concurred in by 16 members of the committee with one dissenting vote.

Respectfully submitted,

(Signed) THOMAS E. KEANE,
Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Be It Ordained by the City Council of the City of Chicago:

Section 1. The Municipal Code of Chicago is hereby amended pursuant to the provisions of the Illinois Constitution of 1970 by adding a new chapter thereto, to be denominated Chapter 156.1, as follows:

156.1-1. For the purpose of this chapter, whenever any of the following words, terms or definitions are used herein, they shall have the meaning ascribed to them in this section:

"Motor Vehicle" means any vehicle which is self-propelled.

"Operator" means any person conducting the operation of a parking lot or garage, as defined by this chapter, or receiving the consideration for parking or storage of motor vehicles at such parking place.

"Parking Lot" or "Garage" means any building, structure, premises, enclosure, or other place, whether enclosed or not, except a public way, within the City of Chicago, where two or more motor vehicles are stored, housed, or parked for hire, charge, fee, or other valuable consideration in a condition ready for use, or where rent or compensation is paid to the owner, manager or lessee of the premises for the housing, storing, sheltering, keeping or maintaining of such motor vehicles; provided, however, that said terms shall not include residential parking provided for single-family homes or multiple-family dwelling units wherein an arrangement for such parking is provided on a rental basis to meet the terms of the Chicago Zoning Ordinance for off-street parking, the consideration therefor being set forth in the house or apartment lease or in a separate writing between the landlord and tenant, whether the parking charge is payable to the landlord or to the operator of the parking lot or garage.

"Person" means any natural person, trustee, court appointed representative, syndicate, association, partnership, firm, club, company, corporation, business trust, institution, agency, government corporation, municipal corporation, district or other political subdivision, contractor, supplier, vendor, vendee, operator, user or owner, or any officers, agents, employees or other representative, acting either for himself or for any other person in any capacity, or any other entity recognized by law as the subject of rights and duties. The masculine, feminine, singular or plural is included in any circumstances.

156.1-2. (a) There is hereby levied and imposed upon the use and privilege of parking a motor vehicle in or upon any parking lot or garage, as defined in this chapter, in the City of Chicago a tax of fifteen cents (15¢) for each such motor vehicle parked in or on each parking lot or garage for every twenty-four (24) hour period or any fraction thereof. Effective the first day of the month following passage of this ordinance, if a motor vehicle is parked in or on a parking lot or garage for which a charge is made on a weekly or monthly basis, the amount of tax shall be seventy-five cents (75¢) per week or Three Dollars ($3.00) per month. The parking tax herein imposed applicable for a period other than daily, weekly, or monthly, shall be computed by multiplying the sum of fifteen cents (15¢), seventy-five cents (75¢) or Three Dollars ($3.00), whichever amount is applicable, by the total number of days, weeks or months in the particular period of time involved. The weekly tax of seventy-five cents (75¢) and the monthly tax of Three Dollars ($3.00) shall not be increased or decreased on account of Saturdays, Sundays or legal holidays falling within such weekly or monthly period of time, whether or not the motor vehicle is actually parked in or on said parking lot or garage on such days.

(b) The ultimate incidence of and liability for payment of said tax is to be borne by the person who seeks the privilege of occupying space within said parking lot or garage, said person hereinafter referred to as "recipient."

(c) The tax imposed by this chapter shall not apply to residential off-street parking of house or apartment tenants required by the Chicago Zoning Ordinance, wherein an arrangement for such tenant parking is provided in the house or apartment lease or in a separate writing between the landlord and tenant, whether the parking charge is payable to the landlord or to the operator of the parking lot or garage.

(d) The tax herein levied shall be paid in addition to any and all other taxes. It shall be the duty of the operator of every parking lot or garage to secure said tax from the recipient of the parking privilege and to pay over to the City Collector said tax under procedures prescribed by the City Collector, and as otherwise provided in this chapter.

(e) Every person required to collect the tax levied by this chapter shall secure said tax from the recipient at the time he collects the price, charge or rent to which it applies. If the recipient is given any invoice, receipt, or other statement or memorandum of said price, charge or rent paid or payable the tax shall be stated, charged and shown separately on said documents.

156.1-3. The City Collector shall make and publish, in pamphlet form, for distribution to the public, rules and regulations appropriate to and in furtherance of the purpose of this chapter.

156.1-4. The City Collector, or any person certified by him as his deputy or representative, may enter the premises of any parking lot or garage for inspection and examination of books and records for the proper administration of this chapter and enforcement of the collection of the tax imposed. It is unlawful for any person to prevent, hinder or interfere with the City Collector or his duly authorized deputy or representative in the discharge of his duties in the enforcement of this chapter.

156.1-5. It shall be the duty of every person operating a parking lot or garage in the City of Chicago to keep accurate and complete books and records to which the City Collector, or his deputy, or representative authorized by him, shall at all times have full access, which records shall include a daily sheet showing (a) the number of motor vehicles parked in or on each lot or garage, segregated on a daily, weekly, monthly or other basis and (b) the actual parking lot or garage tax receipts collected from all parking transactions.

156.1-6. (a) It shall be the duty of every person operating a parking lot or garage in the City of Chicago to issue to the owner or operator of any motor vehicle left in his custody for parking a distinctive ticket, or claim check, or sticker.

(b) Tickets or claim checks shall be kept in numerical sequence and shall consist of three parts, one of which shall be issued by the operator to each recipient; a second part to be retained by the operator, who shall indicate on the back thereof the time of arrival and departure of the motor vehicle; and the third portion of which shall be placed upon the vehicle parked for the purpose of identification. Each such ticket or claim check shall contain the name of the operator of the parking lot or garage; the address of each lot or garage upon which motor vehicles are parked; identical numbers on each part of the three part ticket or claim check; the number of the license plate on the motor vehicle and the issuing state; whether the parking service rendered is on a daily, weekly or monthly basis; and the total charge for parking each motor vehicle.

(c) No person shall operate parking lots or garages, as defined in this chapter, without first submitting to the City Collector a list of tickets or claim checks prepared for the operator, including two samples of the tickets or claim checks attached thereto showing the starting and ending numbers; the parking lot or garage locations; and the color and sizes of the tickets or claim checks.

(d) No person shall operate a parking lot or garage in the City of Chicago in which parking is permitted on a weekly, monthly or other basis, without requiring the placement of a sticker upon said motor vehicle, which sticker shall show the name of the operator and address of the parking lot or garage upon which the motor vehicle is parked; an identification number in sequence to be placed on motor vehicles so to be parked; the number of the license plate of the motor vehicle and the issuing state; and an indication as to whether parking is on a weekly, or monthly, or other basis, indicating starting and ending dates of the week, month or other period.

(e) A sample of the weekly, monthly or other period stickers printed for the operator shall be submitted to the City Collector for recording and said operator shall keep a book record of all such stickers issued, showing the serial number, date, license number of the motor vehicle and the parking charge imposed. The operator shall remove or cause to be removed and voided said sticker at the end of the week, month, or other period, and shall cause the placement of a new sticker upon the motor vehicle at the beginning of each new period, with recordation thereof also placed in the operator's book.

156.1-7. (a) Every person operating or conducting a parking lot or garage shall file tax returns showing tax receipts received with respect to each parking place during each three month period ending on March 30, June 30, September 30 and December 31 of each year, upon forms prescribed by rules and regulations of the City Collector. At the time of filing said tax returns, the operator shall pay to the City Collector all taxes due for the period to which the tax return applies.

(b) Any operator of a parking lot or garage, who for the preceding quarterly period has failed to pay over the proper amount of tax to the City Collector, may be required by the City Collector in his discretion to file subsequent returns and pay the tax herein imposed on a monthly basis, in which case payments of the tax shall be made to the City Collector on or before the last day of the month succeeding the month for which the tax was due.

(c) If for any reason any tax is not paid when due, a penalty at the rate of ten percent (10%) per year on the amount of unpaid tax which remains unpaid shall be added and collected.

156.1-8. (a) Whenever any person shall fail to pay any tax as herein provided, the Corporation Counsel shall, upon the request of the City Collector, bring or cause to be brought an action to enforce the payment of said tax in behalf of the city in any court of competent jurisdiction.

(b) If the Mayor, after hearing held by or for him, shall find that any person has wilfully avoided payment of the tax imposed by this chapter, he may suspend or revoke all city licenses held by such tax evader. The operator shall have an opportunity to be heard at such hearing to be held not less than five days after notice of the time and place of the hearing to be held, addressed to him at his last known place of business. Pending notice, hearing and finding, any city garage license of which he may be possessed shall be temporarily suspended. Any suspension or revocation of any license shall not release or discharge the operator of a parking lot or garage from his civil liability for the payment of the tax nor from prosecution for such offense.

156.1-9. All proceeds resulting from the imposition of the tax under this chapter, including penalties, shall be paid into the treasury of the City of Chicago and shall be credited to and deposited in the corporate fund of the city.

156.1-10. Any person found guilty of violating, disobeying, omitting, neglecting, or refusing to comply with, or resisting or opposing the enforcement of any of the provisions of this chapter, except when otherwise specifically provided, upon conviction thereof shall be punished by a fine of not less than Fifty Dollars ($50.00) nor more than Three Hundred Dollars ($300.00) for the first offense and not less than Fifty Dollars ($50.00) nor more than Five Hundred Dollars ($500.00) for the second and each subsequent offense in any 180-day period; provided, however, that all actions seeking the imposition of fines only shall be filed as quasi-criminal actions subject to the provisions of the Illinois Civil Practice Act (Ill. Rev. Stat. 1969, ch. 110, par. 1 *et seq.*). Repeated offenses in excess of three within any 180-day period may also be punishable as a misdemeanor by incarceration in the county jail for a term not to exceed six months under the procedure set forth in Section 1-2-1.1 of the Illinois Municipal Code (Ill. Rev. Stat. 1969, ch. 24, par. 1-2-1.1) and under the provisions of the Illinois Code of Criminal Procedure (Ill. Rev. Stat. 1969, ch. 38, pars. 100-1, *et seq.*) in a separate proceeding. A separate and distinct offense shall be regarded as committed each day upon which said person shall continue any such violation, or permit any such violation to exist after notification thereof.

156.1-11. If any provision of this chapter, or the application thereof to any person or circumstance, is held invalid, the remainder of this chapter and the application of such provisions to other persons or circumstances shall not be affected thereby.

CITY OF CHICAGO
DEPARTMENT OF LAW

December 6, 1971.

The Honorable Members of the City Council of Chicago:

Re: *American National Bank & Trust Co., et al.* v. *City of Chicago. Appellate Court of Illinois, First District, No. 53868*

GENTLEMEN— On December 2, 1971, the Appellate Court of Illinois, First District, filed an opinion in the above-captioned case which reversed the judgment of the Circuit Court of Cook County. The Circuit Court had entered a declaratory judgment permitting the plaintiff to construct an apartment building on the subject property of greater density than was permitted under the applicable zoning ordinance.

The subject property was in an area classified R4 General Residence District, Plaintiff applied to the City Council to re-zone the property to R6. When this was denied, the complaint was filed, and it alleged *inter alia* that an amendment had been sought by filing application No. 7530 which was refused. The complaint asked the Court to allow a use equivalent to R6 classification. Immediately prior to and on the day of trial, without notice, the plaintiff filed an amended complaint asking to be allowed to use the property to equal an R5 classification. However, the amended complaint alleged exhaustion of administrative remedies by repeating the exact paragraph used in the original complaint, including the allegation of filing of application No. 7530 with the City Council.

After judgment was rendered in its favor the plaintiff filed an application with the City Council in fact asking an amendment to R5.

The main thrust of the Appellate Court's opinion centered on the question of exhaustion of administrative remedies, and it determined that the plaintiff had failed in that required duty. The Court added that the subsequent denial of R5 by the City Council did not cure the failure since if the application had been timely, to wit: a year earlier, the Council might have passed the requested amendment.

Very truly yours,
(Signed) HOWARD C. GOLDMAN,
Assistant Corporation Counsel.

CITY OF CHICAGO
DEPARTMENT OF LAW

December 2, 1971.

The Honorable Members of the City Council of Chicago:

Re: *Two Hundred Nine Lake Shore Drive Building, et al.* v. *City of Chicago. Appellate Court of Illinois, First District, No. 54616*

GENTLEMEN—On December 2, 1971, the Appellate Court of Illinois, First District, filed an opinion in the above-captioned case which reversed the judgment of the Circuit Court of Cook County, which judgment was dismissal of the plaintiffs' complaint for a declaratory judgment.

A brief chronology of this case follows. The principal plaintiff is a corporation which owns a large cooperative apartment building. Tenants are shareholders and lease their apartments from the corporation. Leases cannot be reassigned without approval of a board of directors or by two-thirds of the tenants. A Mrs. Barnard wished to assign her lease to a Mr. Sax and approval was denied. Both Mrs. Barnard and Mr. Sax filed complaints with the Commission on Human Relations and each alleged that the reason the lease assignment was denied was predicated on the fact Mr. Sax was Jewish. All of the parties involved engaged in some activities before the Commission, and then, the instant plaintiffs filed for a declaratory judgment and other relief. The Circuit Court of Cook County dismissed the complaint and plaintiffs appealed.

On July 11, 1968, the Fair Housing Ordinance of the City of Chicago was amended, and made it unlawful for owners, managing agents, corporations and others to engage in discriminatory housing practices. The Appellate Court opinion holds that this ordinance was void for lack of express statutory power to enact it. (In fact, enabling legislation did become effective *after* the ordinance was passed.)

Accordingly, the Appellate Court reversed the judgment of the trial court and remanded the case with directions to enter a judgment declaring the amended ordinance enacted July 11, 1968, void as it relates to the plaintiffs and to further declare all proceedings taken against the plaintiffs void.

Very truly yours,
(Signed) HOWARD C. GOLDMAN,
Assistant Corporation Counsel.
(Signed) WILLIAM R. QUINLAN,
Head of Appeals and Review Division.

CITY OF CHICAGO
DEPARTMENT OF LAW

December 3, 1971.

To The Honorable The Members of the City Council of the City of Chicago:

Re: *City of Chicago* v. *Robert L. Walker, et al. Doc. No. 41867*

GENTLEMEN—On November 24, 1971, the Supreme Court of Illinois affirmed the judgment of the Circuit Court in the case referred to above and, in so doing, found in favor of the City of Chicago. The suit had been brought by the City to condemn a parcel of real estate in the urban renewal project located at 61st Street and Cottage Grove Avenue; after entry of judgment upon the jury verdict, the property owner appealed.

The Supreme Court's ruling has two effects. First, it reaffirms important principles in the law of eminent domain. Second, it opens the way to development of the urban renewal area in which the subject property is located.

Very truly yours,
(Signed) DANIEL PASCALE,
Assistant Corporation Counsel.

Head of Appeals and Review Division.

SECTION 1. The Municipal Code of Chicago Chapter 21, Sections 49, 50, 51 and 52 are hereby amended by adding certain language, in Italics below, as follows:

"21-49. The city council finds that prejudice and the practice of discrimination against any individual or group because of race, color, *sex,* creed, national origin or ancestry menace peace and public welfare; that to eliminate such prejudice and discrimination an instrumentality should be established through which the citizens of Chicago may be kept informed of developments in human relations, the officers and departments of the city may obtain expert advice and assistance in ameliorative practices to keep peace and good order and private persons and groups may be officially encouraged to promote tolerance and good will toward all people.

There is hereby established a commission to be known as the commission on human relations consisting of fifteen members, to be appointed by the mayor by and with the advice and consent of the city council. The mayor shall designate one of the members as chairman. The members shall be appointed and hold office as follows: five to be appointed for one year, five for two years, and five for three years. Members thereafter appointed or reappointed shall hold office for a term of three years from the date of their appointments and until their successors shall be appointed and qualified. They shall serve without compensation but may be reimbursed for any personal expense incurred in the performance of their duties. The commission shall appoint, according to law, an executive director and such other persons as are provided for in the annual appropriation ordinance to direct its activities.

"21-50. The commission shall cooperate with the mayor, city council, city departments, agencies and officials in: securing the furnishing of equal services to all residents, and where the need is greater, in meeting that need with added services; training city employees to use methods of dealing with intergroup relations which develop respect for equal rights and which result in equal treatment without regard to race, color, *sex,* creed, national origin or ancestry; assuring fair and equal treatment under the law to all citizens; protecting the rights of all persons to enjoy public accommodations and facilities and to receive equal treatment from all holders of licenses, contracts or privileges from the city; and maintaining equality of opportunity for employment and advancement in the city government.

The services of all city departments and agencies shall be made available by their respective heads to the commission at its request, and information in the hands of any department or agency shall be furnished to the commission when requested. Upon receipt of recommendations in writing from the commission, each department or agency shall submit a reply in writing indicating the disposition of and action taken with regard to such recommendations.

The commission shall advise and consult with the mayor and city council on all matters involving racial, religious, *sex,* or ethnic prejudice or discrimination and recommend such legislative action as it may deem appropriate to effectuate the policy of this ordinance. The commission shall render an annual report to the mayor and city council which shall be published.

"21-51. The commission shall invite and enlist the cooperation of racial, religious and ethnic groups, community organizations, labor and business organizations, fraternal and benevolent societies, veteran organizations, professional and technical organizations, and other groups in the city of Chicago in carrying on its work. The commission may aid in the formation of local community groups in such neighborhoods as it may deem necessary or desirable to carry out specific programs designed to lessen tensions or improve understanding in the community.

The commission shall cooperate with state and federal agencies whenever it deems such action appropriate in effectuating the policy of this ordinance.

"21-52. The commission shall receive and investigate complaints and initiate its own investigations of tensions, practices of discrimination and acts of prejudice against any person or group because of race, *sex,* religion or ethnic origin and may conduct public hearings with regard thereto; carry on research, obtain factual data and conduct public hearings to ascertain the status and treatment of racial, religious and ethnic groups in the city, and the best means of progressively improving human relations in the entire city; and issue such publications and such results of investigations and public hearings and make such recommendations to the mayor and city council as in its judgment will effectuate the policy of this ordinance."

It shall be the duty of every wholesale tobacco dealer, before delivering or causing to be delivered any cigarettes to a retail tobacco dealer in the City of Chicago to purchase from the City Collector a tax stamp for each package of cigarettes and to cancel said stamps prior to the delivery of such cigarettes to any retail tobacco dealer in the City of Chicago. Said stamps shall be affixed and cancelled in the manner prescribed by rules and regulations of the City Collector, as hereinafter provided. Any stamp which is defective or unused may be returned to the City Collector or City Comptroller by a wholesale tobacco dealer, who shall thereafter be credited or reimbursed with the amount paid the City Comptroller for such stamps.

(c) Any wholesale tobacco dealer who shall pay the tax levied by this chapter to the City Collector shall collect the tax from any retail tobacco dealer to whom the sale of said cigarettes is made; and any retail tobacco dealer shall, in turn, then collect the tax from the purchaser of said cigarettes. The tax shall be paid to the person required to collect it as trustee for and on account of the City of Chicago.

(d) It shall be unlawful for any retail tobacco dealer to purchase cigarettes from any person unless each package bears an unmutilated tax stamp affixed thereto and cancelled thereon in the manner required by this chapter and the rules and regulations of the City Collector. Possession by said retail tobacco dealer of cigarettes having no stamp affixed and cancelled shall give rise to the *prima facie* presumption that such cigarettes are possessed by him in violation of the provisions of this chapter.

178.1-3. The City Collector shall make and publish, in pamphlet form, for distribution to the public, rules and regulations appropriate to and in furtherance of the purposes of this chapter.

178.1-4. (a) The City Comptroller shall contract for and furnish tax stamps of such denominations and quantities as may be necessary for the payment of the tax imposed by this chapter, and may, from time to time, upon the request or recommendation of the City Collector, provide for the issuance and exclusive use of stamps of a new design and forbid the use of stamps of any other design. The Comptroller may make arrangements for the method of acquiring and paying for such tax stamps.

(b) The City Collector may appoint wholesale tobacco dealers of cigarettes and any other person within or without the City as agents to affix stamps to be used in paying the tax hereby imposed and said agent is hereby authorized to appoint other persons in his employ who are to affix said stamps to any cigarettes under his control in the manner prescribed by the rules and regulations promulgated by the City Collector. Whenever the City Collector shall sell, consign or deliver to any such agent any such stamps, such agent shall be entitled to receive as compensation for his services and expenses in affixing such stamps, and to retain use of the monies to be paid by him for such stamps a commission on the par value thereof. The City Comptroller is hereby authorized to prescribe a schedule of commissions not exceeding five percent allowable to such agent for affixing such stamps; provided, however, that the City Comptroller may authorize commissions to agents not exceeding ten percent for a special period not exceeding thirty (30) days immediately following the adoption of this chapter to cover the initial stamping of packages of cigarettes. Such schedule shall be uniform for each type and denomination of stamp used and may be on a graduated scale with respect to the number of stamps purchased. The City Collector may, in his discretion, permit an agent to pay for such stamps within thirty (30) days after the date of sale, consignment or delivery of such stamps to such agent, provided a bond satisfactory to the City Comptroller and approved as to form and legality by the Corporation Counsel shall be submitted by said agent to the City Comptroller in an amount not less than the par value of such stamps.

(c) The City Comptroller may redeem unused tax stamps lawfully in the possession of any person. No person shall sell or offer for sale any stamp issued under this chapter, except by written permission of the City Comptroller. The City Comptroller may prescribe rules and regulations concerning refunds sales of stamps and redemption under the provisions of this chapter.

178.1-5. (a) Within ten days after the effective date of this ordinance every retail tobacco dealer doing business in the City of Chicago shall file with the City Collector, on forms prescribed by him, a sworn inventory of all packages of cigarettes in his possession or control together with a sworn initial report showing all purchases of cigarettes during the preceding three months. Said initial report shall state the name and address of the place of business of all persons from whom purchases were made, the date of each transaction, the seller's invoice number, the number of the city wholesale tobacco dealer's license, if purchase was made from such licensee, a description of the cigarettes and quantity thereof purchased. With said inventory and initial report the retail tobacco dealer shall pay to the City Collector the taxes for all packages of cigarettes which do not bear a stamp or for which a tax has not been paid as required by this chapter.

(b) A sworn quarterly report shall thereafter be filed by said retail tobacco dealer with the City Collector, on forms prescribed by him, showing all purchases of cigarettes during the preceding three months, setting forth the same data and information as required in the initial report provided for in subsection (a) of this section. The dates upon which said quarterly reports are to be filed shall be provided by rules and regulations promulgated by the City Collector.

178.1-6. The City Collector or any person certified by him as his deputy or representative may enter the premises of any wholesale or retail tobacco dealer for inspection and examination of property, inventory, books and records for the proper administration of this chapter and enforcement of the collection of the tax imposed. It is unlawful for any person to prevent, hinder or interfere with the City Collector or his duly authorized deputy or representative in the discharge of his duties in the enforcement of this chapter.

178.1-7. (a) At the time of delivering cigarettes to any person doing business in the City of Chicago, it shall be the duty of every wholesale tobacco dealer to make a true triplicate invoice, numbered serially, showing the date of delivery, the number of packages, the number of cigarettes contained therein in each shipment of cigarettes delivered, and the name of the purchaser to whom delivery is made and shall retain one legible copy of the same for a period of three years subject to the use and inspection of the City Collector and City Comptroller.

(b) A sworn quarterly cigarette tax return shall be filed by said wholesale tobacco dealer with the City Collector, on forms prescribed by him, showing all purchases of cigarettes made by him during the preceding three months, all sales made by him to retail tobacco dealers doing business in the City of Chicago, all sales made by him to persons outside of the City of Chicago, his remaining inventory, the name and address of the place of business of all persons doing business in the City of Chicago to whom said sales were made, the date of each transaction, the seller's invoice number, the number of the City retail tobacco dealer's license of the purchaser, if any, and a description of the cigarettes and quantity thereof sold. Legible copies of the invoices required by subsection (a) of this section shall be attached to said cigarette tax returns. The dates upon which said quarterly returns are to be filed shall be provided by rules and regulations promulgated by the City Collector.

178.1-8. Every person who shall falsely make, alter, forge or counterfeit any tax stamp, or who, with intent to defraud the city, shall affix or cause to be affixed any counterfeit stamp to any package of cigarettes, knowing said stamp to be counterfeit, shall be charged with forgery under the Illinois Criminal Code and shall be subject to prosecution for such crime.

178.1-9. (a) Notwithstanding the provisions of Sections 178.1-2(b) and (d), and 178.1-4(a) of this chapter, the City Collector may provide by regulation that the tax imposed by this chapter shall, in the alternative, be collected by means of the issuance and sale of a single tax stamp to be prepared jointly with the Department of Revenue of the State of Illinois, evidencing the payment of the tax imposed by this chapter. Toward that end, the City Collector and City Comptroller may make such arrangements and agreements with the Department of Revenue of the State of Illinois as may be required with respect to the method of acquiring, affixing, cancelling and the manner of sharing the cost of such joint single tax stamps and may establish procedures for payment of that portion of the tax revenue collected by the Department of Revenue due and payable to the City of Chicago, in furtherance of the purposes of this chapter. In the event such alternative method as herein provided is utilized, no other method of collecting said tax may be used; however, all other applicable provisions of this chapter shall nevertheless remain in full force and effect.

(b) Notwithstanding the provisions of Sections 178.1-2(b) and (d), 178.1-4(a) and subsection (a) of this section, the City Collector may provide by regulation that the tax imposed by this chapter, in the alternative, shall be collected by means of the filing of a sworn tax return to be prepared and filed by every wholesale tobacco dealer who sells cigarettes for consumption in the City of Chicago. Said return shall be filed on a monthly basis and shall contain the same information required by Section 178.1-7(b) of this chapter. Said return shall be filed with the City Collector on or before the first day of each month stating such other and further information as may be required by the Collector, and said return shall be accompanied by a certified check in the amount of the tax due and payable upon such taxable sales made by said wholesale tobacco dealer in the City of Chicago during the preceding month. In the event such alternative method is utilized, no other method of collecting said tax may be used; however, all other applicable provisions of this chapter shall remain in full force and effect with the exception of the necessity of filing a quarterly tax return as provided in subsection 178.1-7(b) of this chapter, which shall not be required.

178.1-10. It is unlawful for any person to mutilate a tax stamp herein required on any package of cigarettes before it is sold by a retail tobacco dealer.

178.1-11. (a) Whenever any person shall fail to pay any tax as herein provided, the Corporation Counsel shall, upon the request of the City Collector, bring or cause to be brought an action to enforce the payment of said tax on behalf of the city in any court of competent jurisdiction.

(b) If the Mayor, after hearing held by or for him, shall find that any person has willfully evaded payment of the tax imposed by this chapter, he may suspend or revoke all city licenses held by such tax evader. Said person shall have an opportunity to be heard at such hearing to be held not less than five days after notice of the time and place of the hearing to be held, addressed to him at his last known place of business. Pending notice, hearing and finding, any tobacco dealer's license possessed by said person shall be temporarily suspended. Any suspension or revocation of any license shall not release or discharge said person from his civil liability for the payment of the tax, nor from prosecution for such offense.

178.1-12. Whenever the City Collector or any of his duly authorized representatives shall discover any cigarettes subject to any tax provided by this chapter upon which said tax has not been paid or the stamps affixed and cancelled as herein required, they are hereby authorized and empowered forthwith to seize and take possession of such cigarettes together with any vending machine or receptacle in which they are held for sale which, except for money contained in such vending machine or receptacle, shall thereupon be deemed to be forfeited to the city. The City Collector may, within a reasonable time thereafter, by a public notice given at least five days before the day of sale, sell such forfeited cigarettes and vending machines or receptacles at public sale and pay the proceeds into the treasury of the City of Chicago. In the alternative, the City Collector, on reasonable notice, may permit the person from whom said cigarettes were seized, to redeem the same and any vending machine or receptacle seized therewith, by the payment of the tax due together with a penalty of fifty percent (50%) thereof and the cost incurred in such proceeding, provided, however, that such seizure and sale or redemption shall not be deemed to relieve any person from fine or imprisonment provided herein for violation of any provision of this chapter.

178.1-13. All proceeds resulting from the imposition of the tax under this chapter, including penalties, shall be paid into the treasury of the City of Chicago and shall be credited to and deposited in the corporate fund of the city.

178.1-14. Any person found guilty of violating, disobeying, omitting, neglecting, or refusing to comply with, or resisting or opposing the enforcement of any of the provisions of this chapter, except when otherwise specifically provided, upon conviction thereof shall be punished by a fine of not less than Fifty Dollars ($50.00) nor more than Three Hundred Dollars ($300.00) for the first offense and not less than Fifty Dollars ($50.00) nor more than Five Hundred Dollars ($500.00) for the second and each subsequent offense in any 180-day period; provided, however, that all actions seeking the imposition of fines only shall be filed as quasi-criminal actions subject to the provisions of the Illinois Civil Practice Act (Ill. Rev. Stat. 1969, ch. 110, par. 1 *et seq.*). Repeated offenses in excess of three within any 180-day period may also be punishable as a misdemeanor by incarceration in the county jail for a term not to exceed six months under the procedure set forth in Section 1-2-1.1 of the Illinois Municipal Code (Ill. Rev. Stat. 1969, ch. 24, par. 1-2-1.1) and under the provisions of the Illinois Code of Criminal Procedure (Ill. Rev. Stat. 1969, ch. 38, pars. 100-1, et seq.) in a separate proceeding. A separate and distinct offense shall be regarded as committed each day upon which said person shall continue any such violation, or permit any such violation to exist after notification thereof.

178.1-15. If any provision of this chapter, or the application thereof to any person or circumstances, is held invalid, the remainder of this chapter and the application of such provisions to other persons or circumstances shall not be affected thereby.

SECTION 2. This ordinance shall take effect from and after ten days from the date of its due passage and publication.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago is hereby amended pursuant to the provisions of the Illinois Constitution of 1970 by adding a new chapter thereto, to be denominated Chapter 156.1, as follows:

156.1-1. For the purpose of this chapter, whenever any of the following words, terms or definitions are used herein, they shall have the meaning ascribed to them in this section:

"Motor Vehicle" means any vehicle which is self-propelled.

"Operator" means any person conducting the operation of a parking lot or garage, as defined by this chapter, or receiving the consideration for parking or storage of motor vehicles at such parking place.

"Parking Lot" or "Garage" means any building, structure, premises, enclosure, or other place, whether enclosed or not, except a public way, within the City of Chicago, where two or more motor vehicles are stored, housed, or parked for hire, charge, fee, or other valuable consideration in a condition ready for use, or where rent or compensation is paid to the owner, manager or lessee of the premises for the housing, storing, sheltering, keeping or maintaining of such motor vehicles; provided, however, that said terms shall not include residential parking provided for single-family homes or multiple-family dwelling units wherein an arrangement for such parking is provided on a rental basis to meet the terms of the Chicago Zoning Ordinance for off-street parking, the consideration therefor being set forth in the house or apartment lease or in a separate writing between the landlord and tenant, whether the parking charge is payable to the landlord or to the operator of the parking lot or garage.

"Person" means any natural person, trustee, court appointed representative, syndicate, association, partnership, firm, club, company, corporation, business trust, institution, agency, government corporation, municipal corporation, district or other political subdivision, contractor, supplier, vendor, vendee, operator, user or owner, or any officers, agents, employees or other representative, acting either for himself or for any other person in any capacity, or any other entity recognized by law as the subject of rights and duties. The masculine, feminine, singular or plural is included in any circumstances.

156.1-2. (a) There is hereby levied and imposed upon the use and privilege of parking a motor vehicle in or upon any parking lot or garage, as defined in this chapter, in the City of Chicago a tax of fifteen cents (15¢) for each such motor vehicle parked in or on each parking lot or garage for every twenty-four (24) hour period or any fraction thereof. Effective the first day of the month following passage of this ordinance, if a motor vehicle is parked in or on a parking lot or garage for which a charge is made on a weekly or monthly basis, the amount of tax shall be seventy-five cents (75¢) per week or Three Dollars ($3.00) per month. The parking tax herein imposed applicable for a period other than daily, weekly, or monthly, shall be computed by multiplying the sum of fifteen cents (15¢), seventy-five cents (75¢) or Three Dollars ($3.00), whichever amount is applicable, by the total number of days, weeks or months in the particular period of time involved. The weekly tax of seventy-five cents (75¢) and the monthly tax of Three Dollars ($3.00) shall not be increased or decreased on account of Saturdays, Sundays or legal holidays falling within such weekly or monthly period of time, whether or not the motor vehicle is actually parked in or on said parking lot or garage on such days.

(b) The ultimate incidence of and liability for payment of said tax is to be borne by the person who seeks the privilege of occupying space within said parking lot or garage, said person hereinafter referred to as "recipient."

(c) The tax imposed by this chapter shall not apply to residential off-street parking of house or apartment tenants required by the Chicago Zoning Ordinance, wherein an arrangement for such tenant parking is provided in the house or apartment lease or in a separate writing between the landlord and tenant, whether the parking charge is payable to the landlord or to the operator of the parking lot or garage.

(d) The tax herein levied shall be paid in addition to any and all other taxes. It shall be the duty of the operator of every parking lot or garage to secure said tax from the recipient of the parking privilege and to pay over to the City Collector said tax under procedures prescribed by the City Collector, and as otherwise provided in this chapter.

(e) Every person required to collect the tax levied by this chapter shall secure said tax from the recipient at the time he collects the price, charge or rent to which it applies. If the recipient is given any invoice, receipt, or other statement or memorandum of said price, charge or rent paid or payable the tax shall be stated, charged and shown separately on said documents.

156.1-3. The City Collector shall make and publish, in pamphlet form, for distribution to the public, rules and regulations appropriate to and in furtherance of the purpose of this chapter.

156.1-4. The City Collector, or any person certified by him as his deputy or representative, may enter the premises of any parking lot or garage for inspection and examination of books and records for the proper administration of this chapter and enforcement of the collection of the tax imposed. It is unlawful for any person to prevent, hinder or interfere with the City Collector or his duly authorized deputy or representative in the discharge of his duties in the enforcement of this chapter.

156.1-5. It shall be the duty of every person operating a parking lot or garage in the City of Chicago to keep accurate and complete books and records to which the City Collector, or his deputy, or representative authorized by him, shall at all times have full access, which records shall include a daily sheet showing (a) the number of motor vehicles parked in or on each lot or garage, segregated on a daily, weekly, monthly or other basis and (b) the actual parking lot or garage tax receipts collected from all parking transactions.

156.1-6. (a) It shall be the duty of every person operating a parking lot or garage in the City of Chicago to issue to the owner or operator of any motor vehicle left in his custody for parking a distinctive ticket, or claim check, or sticker.

(b) Tickets or claim checks shall be kept in numerical sequence and shall consist of three parts, one of which shall be issued by the operator to each recipient; a second part to be retained by the operator, who shall indicate on the back thereof the time of arrival and departure of the motor vehicle; and the third portion of which shall be placed upon the vehicle parked for the purpose of identification. Each such ticket or claim check shall contain the name of the operator of the parking lot or garage; the address of each lot or garage upon which motor vehicles are parked; identical numbers on each part of the three part ticket or claim check; the number of the license plate on the motor vehicle and the issuing state; whether the parking service rendered is on a daily, weekly or monthly basis; and the total charge for parking each motor vehicle.

(c) No person shall operate parking lots or garages, as defined in this chapter, without first submitting to the City Collector a list of tickets or claim checks prepared for the operator, including two samples of the tickets or claim checks attached thereto showing the starting and ending numbers; the parking lot or garage locations; and the color and sizes of the tickets or claim checks.

(d) No person shall operate a parking lot or garage in the City of Chicago in which parking is permitted on a weekly, monthly or other basis, without requiring the placement of a sticker upon said motor vehicle, which sticker shall show the name of the operator and address of the parking lot or garage upon which the motor vehicle is parked; an identification number in sequence to be placed on motor vehicles so to be parked; the number of the license plate of the motor vehicle and the issuing state; and an indication as to whether parking is on a weekly, or monthly, or other basis, indicating starting and ending dates of the week, month or other period.

(e) A sample of the weekly, monthly or other period stickers printed for the operator shall be submitted to the City Collector for recording and said operator shall keep a book record of all such stickers issued, showing the serial number, date, license number of the motor vehicle and the parking charge imposed. The operator shall remove or cause to be removed and voided said sticker at the end of the week, month, or other period, and shall cause the placement of a new sticker upon the motor vehicle at the beginning of each new period, with recordation thereof also placed in the operator's book.

156.1-7. (a) Every person operating or conducting a parking lot or garage shall file tax returns showing tax receipts received with respect to each parking place during each three month period ending on March 30, June 30, September 30 and December 31 of each year, upon forms prescribed by rules and regulations of the City Collector. At the time of filing said tax returns, the operator shall pay to the City Collector all taxes due for the period to which the tax return applies.

(b) Any operator of a parking lot or garage, who for the preceding quarterly period has failed to pay over the proper amount of tax to the City Collector, may be required by the City Collector in his discretion to file subsequent returns and pay the tax herein imposed on a monthly basis, in which case payments of the tax shall be made to the City Collector on or before the last day of the month succeeding the month for which the tax was due.

(c) If for any reason any tax is not paid when due, a penalty at the rate of ten percent (10%) per year on the amount of unpaid tax which remains unpaid shall be added and collected.

156.1-8. (a) Whenever any person shall fail to pay any tax as herein provided, the Corporation Counsel shall, upon the request of the City Collector, bring or cause to be brought an action to enforce the payment of said tax in behalf of the city in any court of competent jurisdiction.

(b) If the Mayor, after hearing held by or for him, shall find that any person has wilfully avoided payment of the tax imposed by this chapter, he may suspend or revoke all city licenses held by such tax evader. The operator shall have an opportunity to be heard at such hearing to be held not less than five days after notice of the time and place of the hearing to be held, addressed to him at his last known place of business. Pending notice, hearing and finding, any city garage license of which he may be possessed shall be temporarily suspended. Any suspension or revocation of any license shall not release or discharge the operator of a parking lot or garage from his civil liability for the payment of the tax nor from prosecution for such offense.

156.1-9. All proceeds resulting from the imposition of the tax under this chapter, including penalties, shall be paid into the treasury of the City of Chicago and shall be credited to and deposited in the corporate fund of the city.

156.1-10. Any person found guilty of violating, disobeying, omitting, neglecting, or refusing to comply with, or resisting or opposing the enforcement of any of the provisions of this chapter, except when otherwise specifically provided, upon conviction thereof shall be punished by a fine of not less than Fifty Dollars ($50.00) nor more than Three Hundred Dollars ($300.00) for the first offense and not less than Fifty Dollars ($50.00) nor more than Five Hundred Dollars ($500.00) for the second and each subsequent offense in any 180-day period; provided, however, that all actions seeking the imposition of fines only shall be filed as quasi-criminal actions subject to the provisions of the Illinois Civil Practice Act (Ill. Rev. Stat. 1969, ch. 110, par. 1 *et seq.*). Repeated offenses in excess of three within any 180-day period may also be punishable as a misdemeanor by incarceration in the county jail for a term not to exceed six months under the procedure set forth in Section 1-2-1.1 of the Illinois Municipal Code (Ill. Rev. Stat. 1969, ch. 24, par. 1-2-1.1) and under the provisions of the Illinois Code of Criminal Procedure (Ill. Rev. Stat. 1969, ch. 38, pars. 100-1, *et seq.*) in a separate proceeding. A separate and distinct offense shall be regarded as committed each day upon which said person shall continue any such violation, or permit any such violation to exist after notification thereof.

156.1-11. If any provision of this chapter, or the application thereof to any person or circumstance, is held invalid, the remainder of this chapter and the application of such provisions to other persons or circumstances shall not be affected thereby.

SECTION 2. This ordinance shall take effect from and after ten days from the date of its due passage and publication.

The following is said Annual Appropriation Ordinance for the Year 1972 as passed:

THE ANNUAL APPROPRIATION ORDINANCE OF THE CITY OF CHICAGO FOR THE YEAR 1972.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The following sums of money set apart according to departments and other separate agencies of the City government are appropriated from the respective funds designated in this ordinance for the objects and purposes stated herein to defray necessary expenses and liabilities of the City of Chicago to be paid or incurred during the fiscal year beginning January 1, 1972.

SECTION 2. The estimates of current assets and liabilities as of January 1, 1972, the estimates of the amounts of such assets and of the revenues of 1972 available for appropriation, the amounts appropriated, the objects and purposes of such appropriations and the salary rates of all City officers and employees are shown in detail hereinafter.

SECTION 3. In any appropriation where three asterisks (***) appear immediately after the department code number, expenditures thereunder shall be accounted for under statutory standard accounts, as expended, designating objects and purposes of operation and administration.

SECTION 4. The class grade for each class of positions is set forth in Civil Service Schedule A,—Schedule A-1 Classified Positions; Schedule A-2 Classified Service TSP; Schedule A-3 Department of Law; and Schedule A-4—Board of Election Commissioners adopted by and on file with the Civil Service Commission. The resolution setting forth employee benefits for city employees, adopted by the City Council is by reference thereto incorporated herein and made a part hereof.

SECTION 5. The appropriations for liabilities at January 1, 1972, shall not be construed as approval of any such liabilities, but shall be regarded only as appropriations for the payment thereof when they have been found to be valid and legal obligations against the City of Chicago and have been properly vouchered and audited.

SECTION 6. The appropriations herein made for personal services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be further limited to employment of personnel only as needed, or as may be required by law, not to exceed the specified maximum number designated in this ordinance for any office or position by title. When there is no limitation as to the maximum number that may be employed for any office or position by title, one person may be employed or more than one person may be employed with the approval of the Budget Director and the Comptroller regardless of whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the respective offices or positions; provided that wage rates fixed on a daily, weekly or monthly basis are subject to change by the City Council during the fiscal year in accordance with the prevailing wage rates in private employment for such employees. The salary or wage rates fixed are on a yearly basis unless otherwise indicated. Abbreviations or symbols used in this ordinance are as follows: m. monthly; w. weekly; d. daily; h. hourly; v. visits; P.T. part-time.

No officer or employee shall have the right to demand continuous employment or compensation by reason of any appropriation if upon the determination of the Department Head, his services are not needed and it becomes necessary to lay him off on account of lack of work or lack of funds. In case of a vacancy in any office or position, the head of a department in which the vacancy occurs shall not be required to fill such office or position if, in his judgment and discretion, there is no necessity therefor.

On or before the first day of February 1972, and on or before the first day of August 1972, the head or acting head of each department, commission, or board covered by this ordinance shall file with the City Comptroller for public inspection, a report showing all federal funds received or administered by it during the preceding months of July 1971 through December 1971 and the months of January 1972 through June 1972, respectively, the amounts disbursed, purposes for which disbursements were made and a list of any pending applications for federal grants of credits or funds to his department, commission or board.

The report shall include funds received or administered (1) directly from the Federal Government and (2) from the State of Illinois as a grant or disbursement made out of federal funds or grants.

A department head whose department receives or administers no federal funds shall be deemed to satisfy this requirement by filing a report stating that fact, which report shall be deemed to continue in effect as a continuing report of no federal funds until such time as there is a change.

SECTION 7. Any employee who is required and is authorized to use his personally owned automobile regularly in the conduct of official City business shall be allowed and paid uniform monthly rates on the basis of the number of miles per month use of such privately owned automobile, according to the following:

Miles Per Month	*Monthly Rates*	*Miles Per Month*	*Monthly Rates*

BUREAU OF EQUIPMENT SERVICE

Equipment Service Account

The Equipment Service Account is established for the purpose of maintaining, repairing, housing and operating rolling equipment, such as trucks, tractors, trailers and steam rollers and such other activities as this account may be equipped to furnish.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

Charges for the use of such rolling equipment shall be made on a unit rate per day or other unit as shall be determined by the Commissioner of Streets and Sanitation and approved by the Comptroller. Such unit rate or other basis of charge shall be determined and shall be revised and adjusted from time to time on the basis of actual cost for furnishing the use of such equipment which cost shall include expense incidental to the maintenance, housing and operation of such rolling equipment and a reasonable and proper charge for depreciation. The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A complete cost record shall be kept showing the cost of maintaining and repairing the rolling equipment, the charges for depreciation and the cost of operating such equipment by each piece, or by type or group.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Equipment Service Account to a depreciation reserve fund and expended therefrom for the replacement of equipment and machinery.

Expenditures from this account are authorized for all expense for material, supplies, fuel, repairs, services and other expense and for maintenance of necessary stock, incident to the maintenance, housing and operation of rolling and other equipment.

Expenditures for salaries and wages are authorized for the following employes, at not to exceed the rate or number specified, for such period of time as may be necessary; including increments for schedule salary adjustments; and for vacation relief for Foremen.

ELECTRICAL CONSTRUCTION CAPITAL ACCOUNT

The Electrical Construction Capital Account is established for the purpose of constructing, maintaining and repairing street lighting and other public electric facilities, and for the purpose of purchasing and maintaining a stock of material and supplies in connection therewith, the expense of which is to be reimbursed from appropriations of City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

Charges shall be based on the total cost of furnishing material and services, including for incidental and overhead expense, not to exceed the following percentages: Thirty per cent of the direct labor charges and fifteen per cent of the material and other charges; provided that charges for the use of trucks, compressors, mixers and other rolling and mechanical equipment shall be made on a unit rate per day or other unit as shall be determined by the Commissioner of Streets and Sanitation and approved by the Comptroller. Such unit rate or other basis of charge shall be determined and shall be adjusted from time to time on the basis of actual cost for furnishing the use of such equipment, which cost shall include expense incidental to the maintenance, housing and operation of such rolling and mechanical equipment and an appropriate charge for depreciation. The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Electrical Construction Capital Account to a depreciation reserve fund and expended therefrom for the replacement of rolling and mechanical equipment.

Expenditures are authorized to be made for material and supplies for hire of trucks and other equipment and for other services

Debt Service includes appropriations for redemption of debt and interest on debt, and for required reserves.

Pension Funds appropriations represents the gross amounts of general property taxes to be levied for the City's contribution to the pension funds without any deduction for loss and cost in the collection of taxes.

Loss and cost represents the amounts appropriated as a reserve against the gross amount of general property taxes to be levied for potential losses in tax collections and the City's share of the cost of assessing, billing and collecting such taxes.

He often credited his grandmother with being the formative influence in his life and with teaching him the importance of dignity and self-respect. Dr. Bunche was graduated from the University of Southern California in 1927, and in 1928 obtained a master of arts degree from the same University. In 1934 Harvard University conferred upon him a doctorate of philosophy in government and international relations and he did post-doctoral work at Northwestern University, the London School of Economics and the University of Cape Town; and

WHEREAS, During his teaching career in Washington, D.C., and elsewhere, some of the later leaders of Africa were his students, including President Jomo Kenyatta of Kenya and former President Amandi Azikiwe of Nigeria and Kwame Nkrumah of Ghana. African affairs with the Office of the Coordinator of Information and later with the Office of Strategic Services. Whereas, there has been filed with and there is before the City Council of the City of Chicago for consideration a certified copy of a Resolution adopted on November 10, 1971, by the Board of Education of the City of Chicago authorizing the issue of $25,000,000 School Building Bonds of 1971, being the first issue of bonds pursuant to authority of House Bill No. 2466 enacted by the 77th General Assembly of the State of Illinois, approved September 10, 1971, and which Resolution is as follows:

Resolution authorizing the issue of $25,000,000 School Building Bonds of 1971, of the Board of Education of the City of Chicago, being a School District in the City of Chicago, Cook County, Illinois.

DEPARTMENT OF LAW
CITY OF CHICAGO
December 23, 1971.

To the Honorable, The Members of the City Council of the City of Chicago:

Re: *Mayer v. City of Chicago*
United States Supreme Court No. 70-5060

GENTLEMEN—On December 13, 1971, the United States Supreme Court vacated the order of the Illinois Supreme Court in the above-entitled case and remanded the case for further proceedings not inconsistent with its ruling. It held that:

1. Although the State must afford an indigent defendant a trial record of sufficient completeness to permit evaluation of his claims, citing *Draper v. Washington,* it is not necessary that the State provide a complete verbatim transcript, but it is sufficient if they provide alternatives that accord effective appellate review.

2. When defendant's grounds for appeal makes out a colorable claim (to a transcript) the State has the burden of showing only a portion is necessary and that alternatives will be sufficient for an effective appeal on the grounds asserted.

3. The Current Illinois Supreme Court rule which distinguished between misdemeanors and felonies for purposes of granting a transcript results in an invidious discrimination.

4. The fact that the offense involved in the instant proceeding involved the imposition of a fine only, makes no difference.

This was an unanimous opinion written by Justice Brennan wherein two concurring opinions were filed—one by Chief Justice Burger and Justice Blackman. Justice Blackman's separate concurring opinion agreed with the decision of the majority but noted that the defendant was at the time these proceedings were instituted a medical student and may at the present no longer qualify as an indigent. This he asserted was a relevant factor to be considered by the Illinois Court upon remand.

Very truly yours,
(Signed) RICHARD L. CURRY,
Corporation Counsel.

DEPARTMENT OF LAW
CITY OF CHICAGO
December 21, 1971.

To the Honorable, The City Council of the City of Chicago:

Re: *Dorothy Tice vs. License Appeal Commission of the City of Chicago, et al.,*
Ill. App. Ct. No. 54929.

GENTLEMEN—On December 14, 1971, the Appellate Court of Illinois, First District handed down an opinion in the above-entitled case. This case arose from the shooting of Clarence James Walker, a part-time bartender in plaintiff's, Dorothy Tice, Tavern at 504 East 71st Street in Chicago.

After hearing evidence, the Local Liquor Control Commissioner found the plaintiff guilty of conduct contrary to the ordinance of the City of Chicago, the statutes of the State and the rules of the Liquor Control Commission and ordered her liquor license revoked. The License Appeal Commission, with one exception, found that the record sustained the findings of the Commissioner and the Circuit Court of Cook County, pursuant to the Administrative Review Act, affirmed the revocation of the plaintiff's local liquor license.

On appeal the Illinois Appellate Court held that the plaintiff had not sustained her burden of establishing that the findings and conclusion of the Local Liquor Control Commissioner were not prima facie true and correct and that the record disclosed that the Commissioner's evidence was uncontradicted. Further the Court reiterated that the failure of a licensee or his agent to call the police and report a shooting incident in a licensed premises were adequate grounds for the revocation of a local liquor license.

Very truly yours,
(Signed) WILLIAM R. QUINLAN,
Head of Appeals & Review Division.

DEPARTMENT OF LAW
CITY OF CHICAGO
December 23, 1971.

To the Honorable, The City Council of the City of Chicago:

Re: *Scott v. Hernon-City of Chicago, Ill. App. Ct. No. 53000.*

GENTLEMEN—The Appellate Court handed down an opinion in the above-entitled case on December 17, 1971. This was an action to recover damages for personal injuries suffered by the plaintiff which arose out of an automobile collision on April 6, 1962, between a cab driven by plaintiff and defendant, James J. Hernon. The City of Chicago was joined as a defendant based upon a defect or defects located in the street in that intersection where the collision occurred. Plaintiff alleged that negligent acts and omissions of Hernon and the City were jointly and severally the proximate cause of his injuries.

A jury verdict was returned which found in favor of the plaintiff and against both Hernon and the City and assessed damages in the sum of $125,000. The jury answered special interrogatories finding the plaintiff free from contributory negligence and the negligence of the City to be the proximate cause of the plaintiff's injury.

The City filed a post-trial motion requesting judgment notwithstanding the verdict, new trial and remittitur. This motion was denied and judgment was entered on the verdict against the defendants who both appealed, but on March 11, 1970 plaintiff's motion to dismiss the appeal of Hernon for failure to file briefs and abstracts was allowed.

The City contended in its appeal that the trial court erred in denying its motion for a directed verdict and judgment notwithstanding the verdict. The Appellate Court held that the jury's answers to the special interrogatories which had found that the negligence of the City was the proximate cause of injury to the plaintiff and that the plaintiff was free of contributory negligence were decisive and the City was conclusively bound by these findings. However, the Court did find that the plaintiff's witness, Dr. Levine's testimony as it related to the development of cancer, was improper, incompetent and prejudicial and should have been stricken. Thus the Court ordered the judgment reversed as to damages only (since they had previously found the City bound by the special findings of the jury on the question of liability) and the cause was remanded for a new trial as to this issue.

Very truly yours,
(Signed) WILLIAM R. QUINLAN,
Head of Appeals & Review Division.

Action Deferred—ON PROPOSED RESOLUTION SETTING FORTH BENEFITS FOR CITY EMPLOYEES FOR YEAR 1972.

The Committee on Finance submitted the following report, which was, at the request of two aldermen present (Alderman Despres and Alderman Singer) *Deferred* and ordered published:

CHICAGO, December 29, 1971.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration a resolution setting forth benefits for City Employees for the Year 1972, having had the same under advisement, begs leave to report and recommened that Your Honorable Body pass the proposed resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,
(Signed) THOMAS E. KEANE,
Chairman.

The proposed resolution transmitted with the foregoing committee report reads as follows:

RESOLUTION SETTING FORTH BENEFITS FOR CITY EMPLOYEES ESTABLISHED FOR 1972.

Be It Resolved, That the following provisions governing the administration of the Annual Appropriation Ordinance, be adopted:

REGULATIONS GOVERNING THE ADMINISTRATION OF CLASSIFIED POSITIONS SET FORTH IN THE ANNUAL APPROPRIATION ORDINANCE.

A. PURPOSE.

These regulations contain provisions governing compensation administration, benefits and working conditions for all classified positions under the jurisdiction of the Civil Service Commission in the departments and offices which are subject to control and regulation by and for which compensation is required to be fixed by the Mayor and the City Council of the City of Chicago, and for all positions in the departments which are exempted from the jurisdiction of the Civil Service Commission but which are subject to the control and regulation by and for which compensation is required to be fixed by the Mayor and the City Council of the City of Chicago.

B. ADOPTION AND DEFINITION.

1. Schedules A-1, A-2, A-3, A-4.

(a) The class grade for each class of positions as specified in Schedules A-1 and A-2 Civil Service Classified Positions adopted by the Civil Service Commission; and Schedule A-3 Law Department, and Schedule A-4 Board of Election Commissioners, as on file with the Civil Service Commission shall determine the salary applicable to all positions of the class.

(b) Schedule A-2 lists all positions included in the Technical Service category. The Civil Service Commission will maintain complete class specifications including minimum education and/or experience requirements for all positions in Schedule A-2. Before an employee may be appointed to a position in the Technical Service category, he must be recommended by the appointing authority and his education and/or experience must be approved by the Civil Service Commission and the Mayor's Office as meeting the minimum requirements of the class specification.

2. Class Grades and Entrance Rates.

Each class grade in Schedules B, D, E, G and S includes an entrance rate. The normal entrance rate shall be the rate so designated in the salary schedule for all salaried positions. Except as otherwise provided herein, the salary upon initial appointment to any position shall be at the entrance rate. The entrance rates are set forth herein as Exhibit "A" and made a part hereof.

[Exhibit "A" printed on page 2250
of this Journal]

3. Salary Based upon Full-Time Employment.

The salaries prescribed in the salary schedules are fixed on the basis of full-time service for normal work weeks of 35 to 40 hours except as indicated otherwise for certain classes in Schedules A-1, A-2, A-3 and A-4 which are on file with the Civil Service Commission. For positions which are professional, supervisory and executive in character, the normal work weeks of 35 to 40 hours generally apply, but the compensation is intended to be appropriate for the class regardless of variations in the time that may be required to satisfactorily fulfill the responsibilities of the positions.

4. Computation of Salaries of Part-Time Employees.

A professional employee occupying a position in Schedule B, Class Grade 9, Schedule E, Class Grade E-1, Schedule S, Class Grade S-1 and Schedule G, Class Grade G-1 and above who is regularly employed on a continuing work schedule of less than 35 hours per week, shall be compensated on the following basis:

(PT-A)—Authorized part-time service at three-fourths full time-eighty percent (80%) of rates prescribed for full-time employment.

(PT-B)—Authorized part-time service at one-half full-time, fifty-five percent (55%) of rates prescribed for full-time employment.

(PT-C)—Authorized part-time service at one-fourth full-time, thirty percent (30%) of rates prescribed for full-time employment.

Any other employee who is employed on a part-time schedule shall be paid for hours actually worked at an appropriate hourly rate equivalent to the entrance salary rate of the position or the hourly rate set forth in the Annual Appropriation Ordinance or the number of hours set forth in the Annual Appropriation Ordinance.

5. Continuity of Service.

Service requirements for the purposes specified in this resolution shall have the implication of continuous service with the City of Chicago, including the positions which are exempt from the jurisdiction of the Civil Service Commission. This means continuously paid employment without a break or interruption; provided that any absence on leave without pay or layoffs for 30 days or less or absence in individual cases adjudged eligible for duty disability compensation or absence on military leave as set forth in Chapter 24½, paragraph 151 of the Illinois Revised Statutes, shall not affect the continuity of service. Absence from the City service on leave without pay for periods in excess of 30 days, all suspensions, time after layoffs for more than 30 days and all absences without leave shall be deducted in computing total continuous service. All separations, discharges and resignations not followed by reinstatement within one year shall interrupt continuous service and shall result in the loss of all prior service credit. Time on a civil service reinstatement list of more than one year, where at least one offer of re-employment has been made and waived or refused, shall interrupt continuous service and shall result in the loss of all prior service credit. Personnel who are paid by voucher shall receive no credit for continuity of service for the period they are paid by voucher.

Any employees of the City who have rendered service to the County of Cook, the Chicago Park District, the Forest Preserve District, the Chicago Land Clearance Commission, the Chicago Housing Authority, The Metropolitan Sanitary District of Greater Chicago, the State of Illinois, the Chicago Board of Education, Board of Junior Colleges District 508 or the Chicago Transit Authority, shall have the right to have the period of such service credited for continuous service.

Seasonal employment of less than 120 calendar days in any year shall not be credited toward continuity of service.

Non-seasonal employees who work a minimum of eighty hours per month shall be credited with continuity of service for the time worked.

6. Insurance Coverage.

In providing for individual or family employee hospital and medical care insurance as set forth in the appropriation ordinance under code .042, each company that provides hospital and medical insurance coverage shall first be approved by the Mayor and the City Comptroller. The benefits pro-
